EXPERIENCE

Experience in eching

With 23 years of experience in the teaching profession, I have developed a deep understanding of diverse teaching methodologies and strategies. Over the years, I have cultivated a strong passion for fostering student growth, focusing on creating engaging and inclusive learning environments. My extensive experience has equipped me with the skills to adapt to various educational needs and challenges, ensuring students not only gain knowledge but also develop critical thinking and problem-solving abilities for their future endeavors.

EDUCATION

Punjab university

BS in Art Education:

"I hold a Bachelor of Science in Art Education, a degree that blends artistic practice with effective teaching strategies. This program equipped me with the necessary skills to teach visual arts while understanding the educational needs of students, ensuring a comprehensive learning experience."

MPhil in Art Education:

"I pursued an MPhil in Art Education, an advanced program that focused on research and innovative teaching methodologies in the field of art. This degree allowed me to explore new ways to enhance art education and contribute to the development of art curriculum, aiming to inspire future generations of artists and educators."
